

Hello friend, you are about to discover a heartbreaking story of a philanthropist who is notoriously known.

For helping others at the expense of his own comfort.

His name is Osas founder of Osas media Flex.

In the midst of helping.

So many Australians during the Bushfire crisis, in Australia, all his documents.

Misplaced.

At the moment, the government of Saint Kitts and Nevis, have offered him a tax free, citizenship and exchange of a donation from osas.

Similar offer has been made two notable individuals such as Bitcoin, Jesus, and Ammar the YouTube influencer from Africa.

If you want to be, one of us is philanthropic Heroes.

Get back to the person who shared this with you.

I'm rudy reporting live for osas mediaflix.

Thank you.
